MAP POLICY

Purpose

AIMS Power has built a brand recognized for quality and value since 2001. This Minimum Advertised Pricing (MAP) policy protects that brand value by ensuring fair competition among our authorized resellers. When resellers advertise products below MAP, it erodes brand value perception and eliminates legitimate retail competition, particularly given the internet's global reach.

This policy allows consumers to choose resellers based on service, support, and loyalty rather than solely on advertised price. By becoming an authorized AIMS Power reseller, you agree to comply with the terms outlined below.

What MAP Controls

MAP Pricing

- Minimum Advertised Prices are provided in the AIMS Power Price Sheet
- MAP prices are lower than the Manufacturer's Suggested Retail Price (MSRP)
- AIMS Power may adjust MAP pricing at its sole discretion and notices will be communicated
- International resellers must convert MAP to local currency using current exchange rates

Where MAP Applies

Covered Advertising Channels

This MAP policy applies to all forms of public advertising, including but not limited to:

- **Print Media:** Flyers, posters, coupons, mailers, inserts, newspapers, magazines, catalogs
- **Digital Media:** Websites, online marketplaces, social media, mobile apps, email marketing (to non-customers), banner ads, paid search ads
- **Broadcast Media:** Television and radio advertising
- **Physical Signage:** Outdoor advertising, billboards, storefront displays visible from outside
- **E-commerce Platforms:** Company website, Amazon, eBay, Walmart Marketplace, and all other online marketplaces
- **Social Commerce:** TikTok Shop, Facebook Marketplace, Instagram Shopping, and similar platforms

Online Marketplace Rules

Auction Sites (eBay, etc.), Refurbished or Used Products are Excluded:

- "Buy It Now" prices must be at MAP or higher
- Auction starting bids and reserve prices must be at MAP or higher
- "Best Offer" options are prohibited
- Standard auctions without reserves or "Buy It Now" must open at MAP

Bundling and Promotions

You may not include free or discounted products (AIMS Power or other brands) with MAP products if doing so effectively reduces the advertised price below MAP. Example: Advertising "\$500 gift card with purchase" when the product is at MAP would violate this policy.

Competitive Pricing Language

You may advertise:

- "Lowest prices guaranteed"
- "We'll beat any competitor's price"
- "Call for price" or "Add to cart to see price"
- Similar competitive messaging

Requirement: The actual advertised price shown must still be at or above MAP.

Intellectual Property

All AIMS Power trademarks, copyrights, and marketing materials remain the property of AIMS Power. Use advertising materials only as authorized and in compliance with brand guidelines.

AIMS Power Sales Events

When AIMS Power runs promotional sales, the MAP will temporarily adjust to match the sale price for specified products and dates. You will receive advance notice with complete details.

Compliance and Enforcement

Your Responsibilities

- Ensure all advertising complies with current MAP pricing
- Train your staff on MAP requirements
- Monitor your advertising across all channels (including third-party marketplaces)
- Respond promptly to any MAP compliance inquiries from AIMS Power

Violations

Intentional or repeated violations may result in:

- Warning notice
- Temporary suspension of product supply
- Termination of account

AIMS Power reserves the right to take action at its sole discretion, with or without prior warning.

Unilateral Policy

This is a unilateral policy established by AIMS Power. We will not discuss or negotiate this policy with resellers collectively or individually, except for written approvals as outlined in the Exceptions section above.

Agreement

By signing below or by continuing to purchase AIMS Power products after the effective date of this policy, you acknowledge that you have read, understand, and agree to comply with this MAP policy.
